

Put a + on the form that attracts you and a - in the other case.

Choose one of those lines by encircling it.
In case of hesitation, encircle both.

Choose a direction by encircling it.
In case of hesitation, encircle both.

Choose a segment by encircling it.
In case of hesitation, encircle both.

Put a + on the colour that attracts you and a - in the other case.

Position a • on this figure.

1 2 3 4 5 6 7 8 9 10 11
12 13 14 15 16 17 18 19 20 21 22

Think about the most beautiful thing you could expect and then encircle one of these numbers. Cross out the one that disturbs you.

Imagine a landscape: is it under the moon or under the sun? Indicate it with an x.
